

Rachael,

I have recieved my brief thank you for a job well done. I regret that i sent you that postcard asking for my brief.

My last experience with my last lawyer was a nightmare he would never respond and did very little to make sure i got what i needed. So i do apologize.

I really want to tell you that you did a super job, you have very, very good writing skills. I am very pleased I know its a winner. Yours awesome Rachael thank you.

Yours Truly  
Marcus
